**Allowable subject matter**

Claims 1-8 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art neither discloses nor suggests the following limitations in combination with the remaining elements as disclosed in claims 1 and 8:

the steps of determining by examining with the indexer an index file containing references to previously identified and stored resources, if the at least one identified referenced resource is stored in the storage device; in response to an unsuccessful determining step, adding a reference to the at least one identified referenced resource to the index file and storing the at least one identified referenced resource in the storage device, and in response to a successful determining step, not storing the at least one identified referenced resource in the storage device for a second time.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
